

# THE INSTITUTE FOR COORDINATED COMMUNITY RESPONSE

## Past ICCR Trainings

Each year, ICCR provides customized monthly webinars and quarterly in-person trainings geared towards ICCR fellows, but open to any community members. Please reach out to [mbaak@conferencecaw.org](mailto:mbaak@conferencecaw.org) if you would like more information about any of the below trainings.

For a list of upcoming trainings, click [HERE](#). We would also love to hear from you! **Please complete our anonymous Training Needs Survey [HERE](#)** so we can ensure the trainings we bring to ICCR communities are as relevant as possible. All responses to this survey will be kept confidential and used solely for planning training events.
